Retreat - We haven't met in a long time. According to the forum survey, early next year should be good for most people. Should we: 23 out of 25 answered

Do a retreat early next year (February), and the conference separately	47.8% / 11 resp.
Wait for the Open edX conference and do both the retreat and conference together for two weeks (likely April/May)	47.8% / 11 resp.
Something else (comment on the forum thread linked above ^)	4.3% / 1 resp.

Do you think the current measures address the issues discussed in the survey?
